

EMERGENCY WESTERN AVENUE WATER MAIN REPLACEMENT PROJECT

Construction update for October 17 to 23

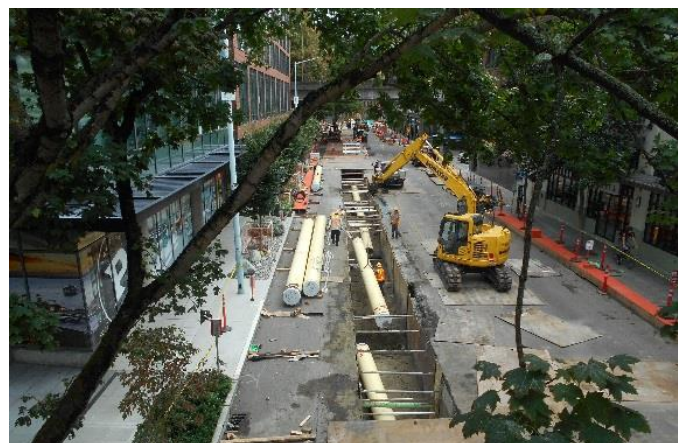

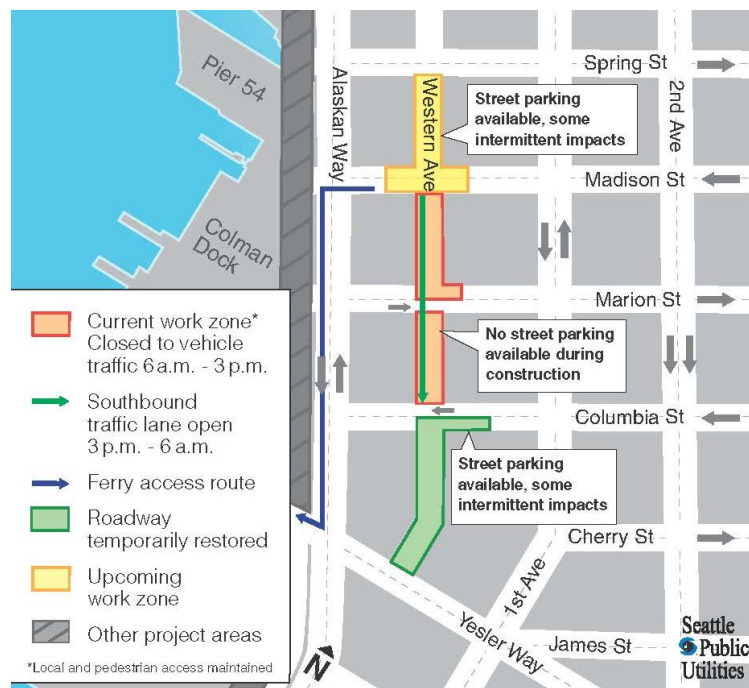

Emergency work continues on Western Avenue to replace a water main at risk of failure. From October 17 to 23, you can expect the following impacts in the project area:

WEEKDAY CONSTRUCTION ACTIVITIES

- Work will move northward on Western Avenue this week. Construction work will occur from Columbia to Marion streets during the day Monday, October 19 through Friday, October 23.
- Work will include sawcutting, excavating and installing new pipe between Columbia and Marion streets with increased noise and dust.
- Restoration work will occur between Yesler Way and Columbia Street.
- Some night work is expected next week, with the noisiest work completed by 10 p.m. each night.

ACCESS AND PARKING

- Western Avenue between Madison and Columbia streets will be closed to vehicle traffic from 6 a.m. to 3 p.m. One southbound lane will be open from 3 p.m. to 6 a.m.
- Large vehicles travelling southbound on Western Avenue should detour at Madison Street.
- Pedestrian access will be maintained between Yesler Way and Spring Street. Some intermittent sidewalk closures may be needed to accommodate work.
- No on-street parking between Madison and Columbia streets.
- Steel plates may be present in the roadway. Bicyclists should use extreme caution.

The new water main is installed between Columbia and Marion streets.
